

**Memorandum of Understanding Between the
Rosebud Sioux Tribe Department of Game, Fish, and Parks and the
South Dakota Department of Game, Fish and Parks**

I. EXISTENCE AND PURPOSE.

This Memorandum of Understanding (MOU) is hereby entered into this 17 day of October, 2016, by and between the Rosebud Sioux Tribe Department of Game, Fish, and Parks (RSTGFP) and the South Dakota Department of Game, Fish and Parks (SDGFP) to provide guidance and memorialize collaboration between these parties to facilitate and enhance management of shared natural resources occurring in Tripp, Todd, Mellette, Lyman, and Gregory Counties of South Dakota.

The purpose of this MOU is to formalize cooperative efforts by the Rosebud Sioux Tribe Department of Game, Fish, and Parks and South Dakota Department of Game, Fish and Parks where mutual interest exists to conduct collaborative operations. Collaborative operations between the parties may include, but not be limited to the following: conducting and sharing wildlife surveys, developing big game and small game harvest season recommendations, communicating wildlife and fisheries resource management concerns, and conducting predator/nuisance animal control activities in an effort to safeguard domestic livestock operations.

II. PARTIES. The parties to this MOU include:

A. The Rosebud Sioux Tribe Department of Game, Fish, and Parks, also known as the Department of Natural Resources, is a wildlife management and law enforcement program under the umbrella of the Rosebud Sioux Tribe. RSTGFP exercises tribal jurisdiction of natural resources including management and law enforcement on Indian Country lands and waters within the Rosebud Indian Reservation of Todd County and on Indian Country lands and waters located in Gregory, Lyman, Mellette, and Tripp Counties of South Dakota. Tribal natural resources include environmentally and culturally significant species, habitat, cultural and historical resources recognized as environmental resources.

B. The South Dakota Department of Game, Fish, and Parks is an executive agency of the State of South Dakota charged to perpetuate, conserve, manage, protect, and enhance South Dakota's wildlife resources, parks, and outdoor recreational opportunities for the use, benefit, and enjoyment of the people of South Dakota and its visitors, and to give the highest priority to the welfare of this state's wildlife and parks, and their environment, in planning and decisions. SDGFP exercises state jurisdiction of wildlife management and law enforcement on deeded lands and waters throughout the State of South Dakota.

III. TERMS. The terms of this MOU include:

A. The parties agree to work cooperatively to conduct wildlife surveys, management and research projects when mutual interest exists and to share information to assist in effectively managing shared big game, small game, and non-game populations.

B. The parties will work together when appropriate to control predator or nuisance animals.

i). The SDGFP Wildlife Damage Specialist conducting predator control work or designee shall notify RSTGFP when aerial predator operations will be conducted within, or adjacent to, the
