**Source: U.S. Census Bureau, 2015-2019 American Community Survey 5-Year Estimates**

*Except where noted, 'race' refers to people reporting only one race. 'Hispanic' refers to an ethnic category; Hispanics may be of any race.*

*A 'Z' entry in the estimate or margin of error column indicates that the estimate or margin of error is not applicable or not available.*

*An '\*\*' entry in the margin of error column indicates that either no sample observations or too few sample observations were available to compute a standard error and thus the margin of error. A statistical test is not appropriate.*

*An '-' entry in the estimate column indicates that either no sample observations or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest interval or upper interval of*

*An '-' following a median estimate means the median falls in the lowest interval of an open-ended distribution.*

*An '+' following a median estimate means the median falls in the upper interval of an open-ended distribution.*

*An '\*\*\*' entry in the margin of error column indicates that the median falls in the lowest interval or upper interval of an open-ended distribution. A statistical test is not appropriate.*

*An 'N' entry in the estimate and margin of error columns indicates that data for this geographic area cannot be displayed because the number of sample cases is too small.*

*An '(X)' means that the estimate is not applicable or not available.*

*Some tribal areas may not return data. These areas are recognized and surveyed, but do not have residents/population, and subsequently, no demographic information are available.*
